South Van Zandt Volunteer Fire Department

Department Statistics

Our Volunteer Firefighters and EMS Personnel

Our South Van Zandt County Volunteers are an incorporated group of career firefighters, professional people, students, and junior firefighters dedicated to the protection of our area. SVZVFD currently operates out of 4 Stations and covers approximately 200sq. miles. SVZVFD currently has 48 active and reserve firefighters and support staff on the roster and has been dispatched to over 460 calls for service so far during 2025.

Our volunteer firefighters play a crucial role in our community, often risking their own safety to protect others. Most are balancing firefighting duties with full-time jobs, family responsibilities, and other commitments, and despite their dedication and commitment, volunteer firefighters often face the challenge of not being available to respond to every fire, medical emergency, or accident.

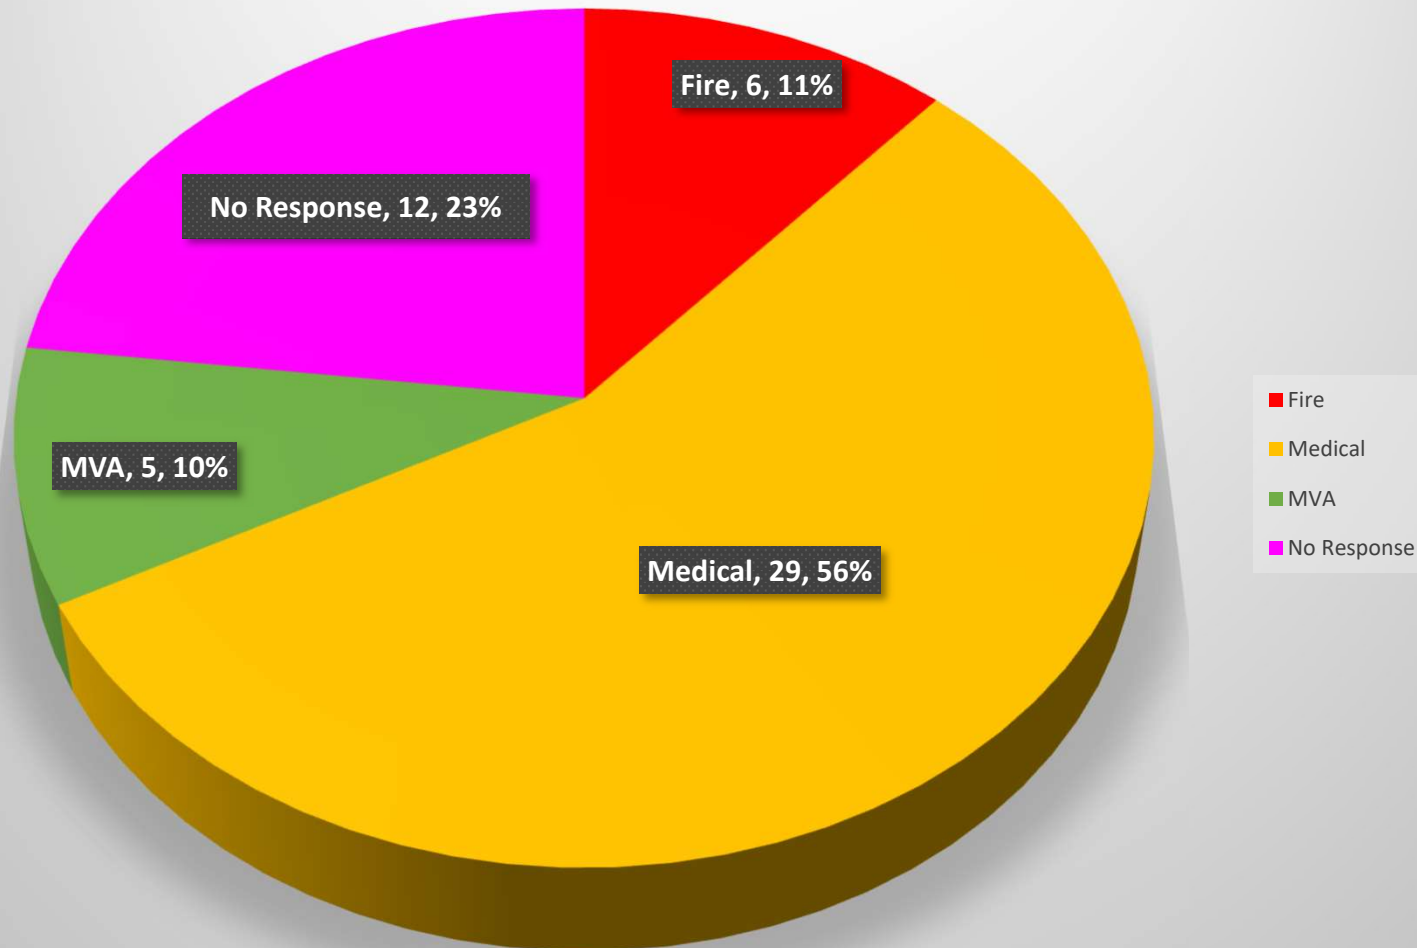

When an emergency call comes in, the response may be delayed due to volunteers having to drive from their home or work to the station to respond to the incident. In some cases our department may not have a volunteer available to respond to an incident.

Volunteer firefighters demonstrate an extraordinary commitment to their communities, often dedicating countless hours of training, service, and sacrifice. They step forward in times of crisis, answering the call to protect lives, property, and the environment, regardless of the risks involved. They routinely make personal sacrifices, leaving work, family, and leisure time behind to respond to emergencies.
